Next Meeting  
December 12 2019

**Meeting is at the Church**

## The President's Corner –

**December 5, 2019**

The President's Corner –

Hello, fellow members:

Congratulations to all our officers and board members who were voted in at the last election. Thank you for stepping up to help our club.

Thanksgiving has passed. I hope you all were able to get your fill of turkey and fun family gatherings.

With the sudden arrival of winter snow, I don't think we will be getting any flying time in soon, but maybe many of you will take advantage of the indoor flying events that have been advertised. Let's take our indoor time to work on new projects for Spring. Send Ed Plumadore pictures for posting to our site as your projects progress. It will be fun to see what you are working on and keep the rest of us motivated. If any of you have any new ideas for the upcoming flying season please bring them to our next meeting, Thursday, December 12<sup>th</sup>, so we can start working on them over the Winter Break. From me and my family to all of you and yours, a Merry Christmas, Happy Holidays and Happy New Year!

Bill Dexter

## Up Coming Flying At The Field

**There is no club meeting**

**January and February 2020**

**Next meeting is March 12<sup>th</sup> 2020 at the Church**

**Hope to see you there**

**Remember Only Electric Flying is allowed before 9 am**

**The club has a new web-site [https://www.lazy8rcclubjohnstownny.com](http://www.lazy8rcclubjohnstownny.com)**

**!!!! so check it out !!!!!**

The plans I am drawing are for a stand off scale WW1 Fokker Eindecker. It will have a wingspan of 81 inches and powered by a .90 fs. Carbon fiber will be used to reinforce diagonally within the fuselage structure. Covering will be silk and dope, cowl will be molded fiberglass. Ailerons will be added in place of wing warping as in the full scale original.
